[Bobby Carroll RSO Delegation Form NUREG 1556 Vol 1 Rev 2 App D.pdf](#)

Good Morning,

Please find attached ***Appendix D: Model Delegation of Authority to Radiation Safety Officer*** signed and dated by myself and my Supervisor.

This is in relation to:

ENI US Operating Company
50-29411-01/030-38377
MC 630267

Let me know if the NRC requires anything else from us to make this transition of RSO.
Have a good day.

Respectfully,

Bobby Carroll, CSP

Model Delegation of Authority to Radiation Safety Officer

Memo To: Radiation Safety Officer
From: Chief Executive Officer
Subject: Delegation of Authority

You, Robert J. Carroll, have been appointed radiation safety officer and are responsible for ensuring the safe use of radiation. You are responsible for managing the Radiation Protection Program; identifying radiation protection problems; initiating, recommending, or providing corrective actions; verifying implementation of corrective actions; stopping unsafe activities; and ensuring compliance with regulations. You are hereby delegated the authority necessary to meet those responsibilities, including prohibiting the use of byproduct material by employees who do not meet the necessary requirements and shutting down operations, when justified, to maintain radiation safety. You are required to notify management if staff does not cooperate and does not address radiation safety issues. In addition, you are free to raise issues with the U.S. Nuclear Regulatory Commission at any time. It is estimated that you will spend 2 hours per week conducting radiation protection activities.

Larry Burgess
