SUBJECT: STAFF REQUIREMENTS – SECY-22-0014 – REPORT TO  
CONGRESS ON ABNORMAL OCCURRENCES: FISCAL YEAR  
2021

The Commission has disapproved the draft Fiscal Year 2021 Report to Congress on Abnormal Occurrences, including the designation of event OEI 21-01, Avera McKennan Nuclear Medicine, and OEI 21-02, National Institute of Standards and Technology, as “other events of interest.” The staff should revise the report to characterize these two events as abnormal occurrences and return the report to the Commission in three weeks as a separate paper. Further, event AS21-02, Medical Event at Columbia Hospital at Medical City Dallas, Dallas, Texas, should continue to be designated as an abnormal occurrence.
