Subject: RAI clarifications

Dear Mr. Albanese:

I have completed my initial review of Qal-Tek's RAI responses that were submitted to NRC on February 18, 2022, and as we discussed yesterday, I am seeking some clarification to those responses.

Please find attached a table that shows the clarification sought for the corresponding RAI response.

After you've had a chance to look over the table, please let me know Qal-Tek's anticipated timeline for providing the requested clarifications.

Thank you,
James
