Dear Ms. Amy,

Reference 1 requested that TMI-2 comment on a proposed License Condition (LC 2.C.(2)) for Physical Protection within 10 days of receipt. Due to concerns raised during discussions between TMI-1 and TMI-2, the proposed wording in Reference 1 is not acceptable. TMI-2 will provide the proposed License Condition for Physical Security to the NRC by May 09, 2022.

As discussed and agreed to today with you, the information noted in Reference 2 that was promised in Reference 3 to be provided by 01 May 2022, may be delayed until May 3, 2022. TMI-2 appreciates the acceptance of this minor delay in the delivery of the promised information.

Respectfully,

Timothy Devik
Licensing Manager
EnergySolutions TMI-2
