Mr. Gallaghar,

Thank you for reaching out.

I can confirm that there will be no changes to any of the following as a result of the restructuring identified in the February 22, 2022 correspondence:

- personnel having control over licensed activities (including the radiation safety officer)
- the use, possession, location, or storage of licensed materials
- the licensee's organization
- the licensee's facility
- the licensee's equipment
- the licensee's procedures.

I can further confirm that Potomac Valley Hospital will continue to abide by all commitments and representations previously made to the NRC and to abide by all constraints, conditions, requirements, representations, and commitments identified in the license.

Best Regards,

Mark Boucot, MBA, FACHE
President and CEO
