

[Home](#)Bio - Arshad Mansoor

Arshad Mansoor

Arshad Mansoor is President and Chief Executive Officer of the Electric Power Research Institute (EPRI), responsible for the institute's operation and portfolio of R&D and demonstration programs. Mansoor has been with EPRI for 21 years and previously served as SVP of research and development, and VP of the Power Delivery and Utilization sector.

Mansoor holds five U.S. patents in power electronics and distributed energy resources. He is a senior member of IEEE, served as VP of the U.S. National Committee of CIGRE, and is a member of the board for the Energy Production and Infrastructure Center (EPIC) at UNC Charlotte.

He earned a B.S. in electrical engineering from the Bangladesh University of Engineering and Technology; and a M.S. (1992) and doctorate (1994) in electrical engineering from the University of Texas in Austin. He completed the MIT Reactor Technology Course and the Harvard Business School Advanced Management Program.

As an energy thought leader, Arshad Mansoor has been widely quoted on related matters in both national and global press and has presented in various forums worldwide including board briefings. In addition, he has published numerous papers in journals and conference proceedings.
