Subject: Request for Additional Information - SIG SAUER

Good morning Ms. Doherty,

This email is in response to your amendment request dated April 20, 2022. In order to continue with our review we found that some additional information is required. Please address the items listed below:

- Please confirm that the new facilities have been incorporated into Sig Sauer's Quality Assurance and Control Program.
- Please provide the status of SIG SAUER Inc.'s amendment request regarding the addition of the new facilities to your State of New Hampshire radioactive materials possession license. The NRC will need a copy of the amended radioactive materials possession license before the amended exempt distribution license can be issued.

Please confirm receipt of this email and submit the requested information within 30 calendar days of the date of this email. If we have not received the complete information within 30 days, we will consider your application as having been abandoned by you. This is without prejudice to the submission of a complete new amendment request.

Thank you,
Tomas Herrera
