RE: Response to Comment Resolution on Draft Environmental Assessment and Safety Evaluation Report for Proposed Decommissioning Project at South Farm Site, Curators of the University of Missouri – Columbia, Columbia, Missouri, and the Dose Assessment for the South Farm – License Number 24-00513-32

Dear Mike LaFranzo:

The Missouri Department of Natural Resources appreciates the Nuclear Regulatory Commission's (NRC) responses and actions taken related to the Department's November 9, 2020, comments on the above referenced documents. The Department has reviewed the NRC's April 19, 2022, responses, received on May 2, 2022, and have no additional comments for your consideration. Please provide an electronic copy of the final documents at your convenience.

If you need anything further related to this site, please contact me at the Missouri Department of Natural Resources, P.O. Box 176, Jefferson City, MO 65102, by phone at 573-751-0763, or by email at carey.bridges@dnr.mo.gov.

Sincerely,

DIVISION OF ENVIRONMENTAL QUALITY

Carey Bridges, R.G.
Deputy Director
