Subject: NRC Schedule Adjustment for Transitioning the WNI Split Rock Site to the DOE for Long Term Care
Date: Thursday, May 26, 2022 3:45:00 PM
Attachments:

Hi Larry,

The attached pdf document provides NRC's schedule adjustment for the transitioning of the Western Nuclear, Inc. (WNI) Split Rock site to the U. S. Department of Energy (DOE) for long-term care. The adjustment does not affect the overall schedule. The adjustment takes into account the NRC's review of comments received from WNI.

Regards,

Tom Lancaster
