RE: Amendment for License No. 21-04080-01
McLaren Macomb

Dear Magdalena Gryglak:

I am written to you to confirm that under our current Amendment for License No. 21-04080-01, we are requesting only 2 curies of Cs-131 be added and not 5 curies of Cs-131. The location where the Cs-131 material will be used in at the same OR rooms which have been already approved by the NRC at the following address: 1000 Harrington Blvd, Mount Clemens, MI 48043.

Thank you for your cooperation with this matter. If you have any questions or require additional information, please contact Art Ewald, M.S., Senior Medical Physicist McLaren-Macomb at 586-493-7542.

Sincerely,

Arthur J. Frazier, M.D.
Radiation Safety Officer
Mount Clemens Regional Medical Center d/b/a McLaren-Macomb
1000 Harrington Blvd.
Mt. Clemens, MI 48043
