**Re: 2022 First Quarter Transfer Report**

Dear Sir:

In accordance with statement 9 of NRC License 06-02269-04G, Sikorsky Aircraft has initially transferred zero (0) IBIS indicators to the US Navy (NADEP, Cherry Point, NC) during the first calendar quarter of 2022.

The RSO for this US Navy Permit is:

Robert Linsteadt, N422  
NAVAIR Radiation Safety Officer  
COMNAVAIRPAC  
NAS North Island Bldg 319  
San Diego, CA 92135

The IBIS indicator (Part No. 12210-1) is manufactured by General Nucleonics Inc. Ponomo, CA. Each indicator contains a 500 microcurie Sr-90 sealed source.

Sincerely,

Julius Vaughn  
Radiation Safety Officer
