§ 20.2207(h) Remove	Reports of transactions involving nationally tracked sources	NOT APPLICABLE TO CO RULE  Colorado initially incorporated the NSTS requirements of RATS 2006-3 as legally binding license conditions. The requirements of 20.2207(h) were originally incorporated into those license conditions ( <a href="#">NRC review letter dated 10/21/2008</a> ; ML082880091). Colorado later transitioned the	-- [formerly B]	<b>In § 20.2207, remove paragraph (h) which stated:</b>  (h) Each licensee that possesses Category 1 nationally tracked sources shall report its initial inventory of Category 1 nationally tracked sources to the National Source Tracking System by January 31, 2009. Each licensee that possesses Category 2 nationally tracked sources shall report its initial inventory of Category 2 nationally tracked sources to the National Source Tracking System by January 31, 2009. The information may be submitted by using any of the methods identified by paragraph (f)(1) through (f)(4) of this
