

file the electronic version of the Appendix, for Petitioners to have until June 24, 2022 to transmit hard copies of the Appendix to the Court, and to correspondingly extend the time for all parties to file completed briefs from June 30, 2022 until July 7, 2022.

Petitioners' counsel are completing the compilation of the Appendix in close consultation with the Respondents and Intervenor, including new steps to shorten it somewhat. The logistics of securing concurrence on the final product, and of printing and sending the hard copies of the Appendix to the Court, have prompted this request. Since this matter will not be heard for argument until the next session of the Court, the parties are seeking the time needed to coordinate the publication of a sizeable , error-free Appendix.

Respondents' and Intervenors' counsel agree with this request.

Petitioners therefore move for leave to file the electronic Appendix on 06/22/2022, for the printed copies to be sent to the Court by June 24, 2022, and for Final Briefs to be filed by the parties on 07/07/2022.
