I appreciate the NRC Staff's timely and thoughtful response to the Commission's direction in SRM-SECY-21-0066. Based on the scope of the near-term rulemaking plan approved by the Commission in SRM-SECY-22-0024, I agree with the Staff's recommendation to defer the initiation of the 10-year regulatory review and update until the next 10-year review cycle. Therefore, I approve Alternative 2.
