SUBJECT: UC Davis MNRC Submission of Technical Specification in Support of License Renewal Application.

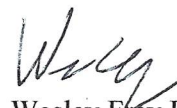

Enclosed are the proposed UC Davis MNRC Technical Specifications in support of the license renewal application submitted June 11th 2018 by UC Davis to the NRC (ADAMS Accession No. ML18179A501). These Technical Specifications were developed using the guidance provided in NUREG 1537 and ASNI 15.1.

These Technical Specifications are an updated version of the Technical Specifications provided to the NRC on June 3rd, 2022.

I have reviewed this submission and found it to be truthful and accurate. If there are any questions or concerns, please contact me directly.

I declare under penalty of perjury that the foregoing is true and correct executed on June 21st, 2022.

Sincerely,

Wesley Frey PhD
Facility Director
