**RE: 21-9593, Balderas, et al v. United States Nuclear Regulatory Commission,
et al**
Dist/Ag docket: 72-1050

Dear Counsel:

Appellants' reply brief is deficient because:

The attachments to the reply brief are not identified and included in the Table of Contents. In addition and for example stating "Attachment 1" is not sufficient; the attachment must be clearly identified (i.e., "Attachment 1: District Court Judgment Filed mm/dd/yyyy"). *See* 10th Cir. R. 28.2(C)(5).

You must file a corrected brief. Do not file paper copies of your brief until the court has received your corrected brief and has issued notice it is compliant.

The corrected brief must have an updated certificate of service (if required; *see* 10th Cir. R. 25.4).

If you fail to correct the stated deficiency within three days of the date of this letter, the deficient brief will not be filed.

Please contact this office if you have questions.

Sincerely,

A handwritten signature in black ink, appearing to read 'Christopher M. Wolpert', with a long horizontal flourish extending to the right.

Christopher M. Wolpert
Clerk of Court
