TRAINING: The following training is required for documents in this Change Notice.

For IP 71111.21N.03, a 2-day Instructor-led training on Commercial Grade Dedication concepts and procedure implementation will be completed prior to the effective date.

No special training is required for the remainder of the documents issued with this Change Notice.

REMARKS: IP 71111.21N.03, "Commercial Grade Dedication." First issuance. Completed 4-year search for commitments and found none. This IP is one of the Focused Engineering Inspections recommended by staff in SECY 18-0113.

IP 81311, "Physical Security Requirements for Independent Spent Fuel Storage Installations." This revision was to further clarify the applicability of requirements as they are to be applied to the different license holders of ISFSI's. Additionally, upon completion of a SUNSI review, the staff concluded that this document would remain decontrolled.
