Note: Numbers may not add due to rounding.

<sup>1</sup> The FY 2022 Explanatory Statement identified this control point as the "Integrated University Program". Division Z of the Consolidated Appropriations Act, 2021 replaced the Integrated University Program with the University Nuclear Leadership Program.

<sup>2</sup> Office of the Commission is part of the Corporate Support control point. The Office of the Commission will be allocated a total of \$9,500K which includes \$5,736K of carryover and \$3,764K of FY 2022 funding. As shown by the reduction of funds in the Current Plan, the NRC reallocated FY 2022 Office of the Commission funding to support high priority Corporate Support shortfalls.

<sup>3</sup> Advanced Reactor Regulatory Infrastructure Activities is part of the Nuclear Reactor Safety control point.

<sup>4</sup> FY 2022 supplemental appropriation from the Additional Ukraine Supplemental Appropriations Act, 2022, P.L. 117-128, enacted May 21, 2022.

<sup>5</sup> This is not part of the \$16,000K of carryover that was authorized for use by the FY 2022 Explanatory Statement.

<sup>6</sup> University Research & Development and Nuclear Science & Engineering Grant Program comprised the Integrated University Program control point before FY 2021.
