B. Submitting Comments

The NRC encourages electronic comment submission through the **Federal rulemaking website** (<https://www.regulations.gov>). Please include Docket ID **NRC-2022-0137** in your comment submission.

The NRC cautions you not to include identifying or contact information in comment submissions that you do not want to be publicly disclosed in your comment submission. All comment submissions are posted at <https://www.regulations.gov> and entered into ADAMS. Comment submissions are not routinely edited to remove identifying or contact information.

If you are requesting or aggregating comments from other persons for submission to the OMB, then you should inform those persons not to include identifying or contact information that they do not want to be publicly disclosed in their comment submission. Your request should state that comment submissions are not routinely

edited to remove such information before making the comment submissions available to the public or entering the comment into ADAMS.

II. Background

In accordance with the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35), the NRC is requesting public comment on its intention to request the OMB's approval for the information collection summarized below.

1. *The title of the information collection:* Access Authorization.
2. *OMB approval number:* 3150-0046.
3. *Type of submission:* Revision.
4. *The form number, if applicable:* Not applicable.
5. *How often the collection is required or requested:* On occasion.
6. *Who will be required or asked to respond:* NRC-regulated facilities and other organizations requiring access to NRC-classified information, and NRC contractors with access to classified information or who hold a sensitive position.
7. *The estimated number of annual responses:* 534 (456 reporting responses plus 78 recordkeepers).
8. *The estimated number of annual respondents:* 300.
9. *The estimated number of hours needed annually to comply with the information collection requirement or request:* 226 hours (160 hours reporting + 66 hours recordkeeping).
10. *Abstract:* NRC collects information on individuals in order to determine their eligibility for an NRC access authorization for access to classified information. NRC-regulated facilities and other organizations are required to provide information to the NRC when requested on the cleared individual and maintain records to ensure that only

individuals with the adequate level of protection are provided access to NRC classified information and material.

III. Specific Requests for Comments

The NRC is seeking comments that address the following questions:

1. Is the proposed collection of information necessary for the NRC to properly perform its functions? Does the information have practical utility? Please explain your response.
2. Is the estimate of the burden of the information collection accurate? Please explain your response.
3. Is there a way to enhance the quality, utility, and clarity of the information to be collected?
4. How can the burden of the information collection on respondents be minimized, including the use of automated collection techniques or other forms of information technology?

Dated: August 26, 2022.

For the Nuclear Regulatory Commission.
