Quad Cities Nuclear Power Station, Unit 2
Renewed Facility Operating License No. DPR-30
NRC Docket No. 50-265

Subject: Owner's Activity Report Submittal
Fifth 10-Year Interval 2020 Refueling Outage Activities

Reference: Letter from T. Tate (USNRC) to M. Pacilio (Exelon), "Quad Cities Nuclear Power Station, Units 1 and 2 – Safety Evaluation in Support of Request for Relief Associated with the Fifth 10 Year Interval Inservice Inspection Program," dated September 30, 2013.

This letter submits the Owner's Activity Report (i.e., Form OAR-1) for the Quad Cities Nuclear Power Station (QCNPS) Unit 2 refueling outage (Q2R26) that began on March 21, 2022 and was completed on April 24, 2022. This is the second refueling outage conducted in the Third (3rd) Inspection Period of the Fifth (5th) 10-Year Interval Inservice Inspection (ISI) Program for QCNPS Unit 2. A copy of the Owner's Activity Report is provided as attachment to this letter.

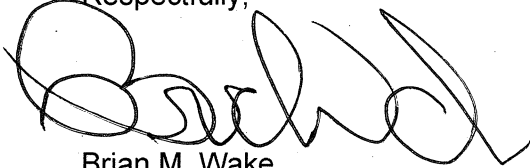

This Owner's Activity Report is submitted in accordance with American Society of Mechanical Engineers (ASME) Boiler and Pressure Vessel Code Case N-532-5, "Repair/Replacement Activity Documentation Requirements and Inservice Summary Report Preparation and Submission". Code Case N-532-5 requires an Owner's Activity Report Form OAR-1 to be prepared and certified upon completion of each refueling outage. In accordance with the conditions of Code Case N-532-5, this OAR-1 form is being submitted within ninety (90) days of the completion of the refueling outage. No new inaccessible areas were identified for evaluation in Q2R26 therefore reporting under 10 CFR 50.55a(b)(2)(ix)(A)(2) is not required.

No welds were reclassified or changed status within the Intergranular Stress Corrosion Cracking (IGSCC) program this outage.

CERTIFICATE OF INSERVICE INSPECTION

I, the undersigned, holding a valid commission issued by the National Board of Boiler and Pressure Vessel Inspectors and employed by The Hartford Steam Boiler Inspection and Insurance Company of Hartford, Connecticut have inspected the items described in this Owner's Activity Report, and state that, to the best of my knowledge and belief, the Owner has performed all activities represented by this report in accordance with the requirements of Section XI.

By signing this certificate neither the Inspector nor his employer makes any warranty, expressed or implied, concerning the repair/replacement activities and evaluation described in this report. Furthermore, neither the Inspector nor his employer shall be liable in any manner for any personal injury or property damage or a loss of any kind arising from or connected with this inspection.
