Ron,

Just to confirm, Dr. Rustgi is no longer on staff at the Cancer Center of Hawaii and you want me to void the amendment request to authorize her as an authorized medical physicist?

Thanks,

Hi Casey,

It looks like this physicist is no longer with The Cancer Center of Hawaii, so you can withdraw this amendment request.

Thank you,

Ron Frick

Good afternoon Ron,

I am reviewing the license amendment request to add Dr. Rustgi as an authorized medical physicist

as requested in the letter dated May 24, 2022. Could you please provide the following:

1. A copy of Dr. Rustgi's board certification certificate;
2. A Form 313(AMP) with Section 3.c. completed for Dr. Rustgi's training on the remote afterloader model utilized by the Cancer Center of Hawaii;
3. If applicable, documentation of recent related continued education and experience as required by 10 CFR 35.59.

If you have any questions, please let me know.

Thanks,
