Good Morning Jason

I hope you are doing well. Thanks again to you and the Staff for your time and insight during the 50.69 clarification call. We will move forward with the 50.69 LAR as a Tier 2 Plant. The Entergy staff is working with the vendor to establish a timeline for deliverables supporting this effort. I will inform you as soon as possible once the timeline has been established. Please email or call me if you have any questions.

Have a Great Thursday
John
