Mr. Moncevicus,

We received your license renewal request. I have started the review of your renewal but no information was included your request. Please submit a full application in order to start the review. I have attached NUREG-1556, Vol 12 "Consolidated Guidance About Materials Licenses, Program-Specific Guidance About Possession Licenses for Manufacturing and Distribution." This document provides the guidance necessary to submit the required information. Section 8 describes the requirement and provides a section "Response from Applicant" that can guide you with the information needed. Furthermore, Appendix B provides a checklist that can be used to submit the necessary information.

Please submit the information as soon as possible. Contact me if you have any questions.

Please confirm receipt of the email.

Regards,
Juan Ayala
