**Reference License No SNM-124, Docket 70-143**

**SUBJECT Nuclear Fuel Services, Inc.—2022 NRC Observed Force-On-Force Exercise**

Dear Sir or Madam

Nuclear Fuel Services, Inc (NFS) requests the Nuclear Regulatory Commission (NRC) utilize the 2022 Triennial Force-On-Force (FOF) exercise to fulfill the requirement of 10 CFR 73 46 (b)(9), which states *“During each of the 12-month periods, the NRC shall observe one of the force-on-force exercises which demonstrates overall security systems performance ”*

The 2022 NRC Observed Tactical Response Exercise was held the week of May 9, 2022 NFS does not consider the request to be a decrease in the safeguards effectiveness or of the facility’s physical protection program

If you or your staff have any questions, require additional information, or wish to discuss this matter further, please contact Mr Tom Holly, Licensing Manager, at (423) 735-2595 Please reference our unique document identification number (21G-22-0093) in any correspondence concerning this letter

Sincerely,

**NUCLEAR FUEL SERVICES, INC**
