SUBJECT: DECOMMISSIONING FINANCIAL ASSURANCE

The Nuclear Regulatory Commission (NRC) received from Baker Hughes Oilfield Operations, LLC, the standby trust agreement with Citibank, N.A., dated June 24, 2020, that was submitted in accordance with 10 CFR 30.35 to satisfy decommissioning financial assurance requirements for NRC license number 42-02964-01. This decommissioning financial assurance document was found to be adequate. The standby trust agreement with Citibank, N.A., dated June 24, 2020 supersedes the standby trust agreement with U.S. Bank dated January 30, 2017. Therefore, the standby trust agreement with U.S. Bank is no longer needed by the NRC and can be cancelled by Baker Hughes Oilfield Operations, LLC. You can contact me at 817-200-1189 if you have any questions about this matter.

In accordance with 10 CFR 2.390 of the NRC's "Rules of Practice," a copy of this letter will be available electronically for public inspection in the NRC Public Document Room or from the NRC's document system (ADAMS). ADAMS is accessible from the NRC Web site at <http://www.nrc.gov/reading-rm/adams.html>.

Thank you for your cooperation.

Sincerely,
