- **Record of NRC audit**

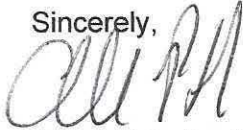

Attached is a copy of an NRC inspection report that was provided to us by LEDVANCE. As you mentioned in your email, the inspection was conducted in February 2018 at the joint LEDVANCE/Osram Sylvania distribution facility in Ontario, California. However, the inspection report only lists LEDVANCE, LLC as the inspected licensee and only includes LEDVANCE's license number. We have no records for this inspection showing our name and license number.

- **Name on license**

We confirm that the name Osram Sylvania, Inc. remains accurate and should be the name listed on our license 20-35374-01E.

If you have any questions, please contact me at +1 978 570 3335 or e-mail me at albert.lelis-jr@ams-osram.com.

Sincerely,
