

The following security advisory (SA) is not publicly available because it is designated “Official Use Only—Security-Related Information,” which is exempt from public disclosure in accordance with the U.S. Nuclear Regulatory Commission’s (NRC’s) sensitive unclassified nonsafeguards information (SUNSI) handling requirements:

SA 2022-06, “National Special Security Event for the 77th United Nations General Assembly”

The NRC issued SA 2022-06 on September 1, 2022, to all affected licensees (NRC and Agreement State) that possess, use, ship, or receive risk-significant radioactive materials, including radioactive materials equal to or exceeding the transportation quantities of concern, in the New York City, NY, area. Note that the SA contains physical security information and is, therefore, being withheld from public disclosure in accordance with NRC SUNSI handling requirements.
