2 MR. CHILK: The purpose of the meeting is to get
3 your affirmation on SECY 78-99, as amended by SECY 78-99-A.
4 The subject is an Amendment to Table S-3 of 10 CFR Part 51
5 and an addendum to SECY 77-449 that deals with the response
6 of the New England Coalition on Nuclear Pollution, Petition for
7 Rulemaking to Amend Table S-3.

8 You had an original paper which recommended a Federal
9 Register Notice and a reply to the petitioner. You met on the
10 matter back in March asking staff to come back with a new
11 Federal Register Notice. They did that on the 27th of March
12 which was SECY 78-99-A. So that Federal Register Notice was
13 then the subject of a meeting chaired by the General Counsel
14 last week to resolve some questions and it is my understanding
15 those questions were resolved. I have the Federal Register
16 Notice as it has been presented to us by the General Counsel
17 and to which I understand all of you have agreed.

18 Can I ask you to affirm your vote?

19 COMMISSIONER BRADFORD: Aye.

20 COMMISSIONER KENNEDY: Aye.

21 COMMISSIONER GILINSKY: Aye.

22 MR. CHILK: Thank you.
