RE: Amendment Request

LICENSEE: Lee's Summit Medical Center, LLC
(d/b/a Lee's Summit Medical Center)
NRC License No. 24-24660-01

To Whom It May Concern,

We wish to amend NRC License No. 24-24660-01 to remove Aaron M Lewis, M.D. as Radiation Safety Officer and add Nicholas Bell, BS, CNMT, PET as Radiation Safety Officer. Mr. Bell is currently listed as Radiation Safety Officer on NRC License No. 24-18655-01.

We appreciate the help of the NRC in this matter.

Sincerely,

Jeff Hasty, MHL, BSRT (R)(MR)
Director of Imaging Services

John McDonald,
Chief Executive Officer
Lee's Summit Medical Center

Enclosures

Delegation of Authority

You, Nicholas Bell, B.H.S., CNMT, PET, have been appointed as Radiation Safety Officer (RSO) and are deemed responsible for ensuring the safe use of radiation for License #: 24-24660-01. Other responsibilities include; managing the radiation protection program, identifying problems with radiation protection and taking necessary corrective actions including stopping unsafe activities if needed, and ensuring compliance with regulations. You are hereby delegated the authority necessary to meet and carry out these responsibilities, including prohibiting the use of radioactive material by employees who do not meet necessary requirements and shutting down operations when justified for radiation safety. You are required to notify the appropriate management of situations where staff are not cooperating and addressing radiation safety issues. You will directly manage the radiation protection program and be physically present on site approximately 2-3 hours per week at this facility or any other location listed on the radioactive materials license to ensure that radiation protection activities are being met.

John McDonald
Chief Executive Officer
Lee's Summit Medical Center

Date

I accept the above responsibilities,

Nicholas Bell *RSO, BHS, CNMT, PET*
