**Subject:** [External\_Sender] Re: NRC License Renewal - Franciscan Alliance, Inc. - Request for Additional Information

Dear Jonathan,

I appreciated the call yesterday. I have to request the 2 week extension as I still gather this information that was requested. We have decided to remove the request to add the new physician Authorized Users at this time on the renewal. We will add them on future amendment once renewal process is completed. Please advise if this extension can be granted.

Thank you.

Hi Jonathan,

I hope all is well. I have to request about a 30day extension to gather this information that was requested. I may also consider removing the request to add all those new physician AUs from the renewal and add them on a future amendment. Please advise it this would be acceptable.

Thank you.

Frank
