Re: Materials License 13-15544-01, Amendment 23

Dear Sir/Madame,

The attached documentation is being submitted in support of Duke Energy Indiana, LLC's, request to update/change the Materials License, 13-15544-01 Amendment No. 23, expiration date 10/31/2023, for its Gibson Generating Station. The following change is requested due to a change in the Radiation Safety Officer (RSO).

- Change Item 12. The Radiation Safety Officer (RSO) for this license is Shane Neumann.
 - This change reflects that Ms. Sparks is no longer at the site.

Questions concerning this change request should be directed to Adam Gardner at 423-800-1771, or Shane Neumann at 812-431-0313.

Sincerely,

A handwritten signature in blue ink, appearing to read "B. Powers", enclosed within a blue oval scribble.

Brian V. Powers
General Manager, Gibson Generating Station
