Secretary U.S. Nuclear Regulatory Commission Rulemakings and
Adjudications Staff
Washington, DC 20555-0001

Dear: Secretary Rulemakings and Adjudications Staff,

Please NRC use your power to ensure the decommissioning of Indian Point
is as safe as
possible. We live directly across
the river from the now silent plant and see it as a sleeping giant.
Thank you for the work you do and we are counting on you to do the
right.

Sincerely,

Debora DeFiebre
