Secretary U.S. Nuclear Regulatory Commission Rulemakings and  
Adjudications Staff  
Washington, DC 20555-0001

Dear: Secretary Rulemakings and Adjudications Staff,

Dear NRC representative,

I implore you to investigate and stop the idea of dumping radioactive debris into the Hudson River during the decommissioning of Indian Point nuclear facility.

The company involved is also petitioning the NRC so that LESS oversight is required.

This is totally unacceptable.

Thank you for the consideration,

Jerry Silverman

Sincerely,

Jerry Silverman
