Dear Mr. Noval,

This email is to acknowledge the receipt of Holtec Decommissioning International's, LLC (HDI) submittal docketed on August 10, 2022 (Agencywide Documents Access and Management System [ADAMS] Accession Number ML22222A087), providing notification to the U.S. Nuclear Regulatory Commission (NRC) of anticipated changes to the Nuclear Decommissioning Master Trust Agreement. 10 CFR 50.75(h)(1)(iii) requires that written notification of any material changes to the decommissioning trust agreement be provided to the Director of the Office of Nuclear Material Safety and Safeguards (NMSS) at least 30 working days before the proposed effective date of the amendment. The Amended and Restated Holtec Indian Point 2, LLC Master Decommissioning Trust Agreement for Indian Point Nuclear Generating Units 1 And 2 will not take effect until at least 30 working days from the date of your above notice. As part of the review of your submittal, the NRC will provide a letter summarizing its review with resources spent, and, if applicable, any questions or conclusions.

Your request has been assigned Enterprise Project Identifier L-2022-LLA-0072. Please reference this number in any future correspondence associated with this request. The NRC staff will review your submittal and may contact you for further clarification.

In accordance with 10 CFR 2.390 of the NRC's "Agency Rules of Practice and Procedure," a copy of this email will be available electronically for public inspection in the NRC Public Document Room or from the Publicly Available Records component of the NRC's ADAMS. ADAMS is accessible from the NRC website at: <http://www.nrc.gov/reading-rm/adams.html> (the Public Electronic Reading Room).

If you have any questions, please contact me.
Thank you,
Karl Sturzebecher
