2. Please provide all applicable contact information for the Michael R. Abel, M.S., Ph.D., C.H.P., including:

Please respond to this request within 15 calendar days. In your response, please reference U.S. NRC Materials License No. 13-35593-01 and Control Number 631905 to ensure proper routing. I will assume that you do not wish to further pursue this licensing action if I do not receive a reply within the specified timeframe noted above.

You're welcome to submit your response letter directly to me via e-mail, but I recommend that you request an e-mail receipt or other acknowledgement that the response has been received.
