Submitted August 30, 2022

The organizations named herein hereby comment on the U.S. Nuclear Regulatory Commission's ("NRC's") proposed rule, *Regulatory Improvements for Production and Utilization Facilities Transitioning to Decommissioning*, 87 Fed. Reg. 12,254 (March 3, 2022) (Docket No. NRC-2015-0070) ("Proposed Rule").

We hereby adopt and incorporate by reference the comments which have been submitted by Citizens Awareness Network ("CAN") and the Nuclear Information and Resource Service ("NIRS") in response to NRC's Proposed Rule.

We submit these comments as environmental organizations whose purposes are to educate the public and advocate for protection of human health and the environment against the dangers posed by nuclear reactors, nuclear factories, and nuclear waste.

Sincerely,
