Mr. Moncevicus,

Per your email two weeks ago, I was hoping to receive the information needed to begin the review of your license renewal this week. As of today, I have not received the information. Please submit items 5-11 from NUREG-1556, Vol 12 "Consolidated Guidance About Materials Licenses, Program-Specific Guidance About Possession Licenses for Manufacturing and Distribution" in order to facilitate a review of your renewal.

Regards,
Juan Ayala

Hello Juan, they are being worked on and murphy law has come into play, we only have 35 employees here and 5 of my Techs came down with Covid last Friday and I have my family vacation next week, when on return on August 29th I will see where we stand and get that report to you.

Again, thank you for your patience and will be in contact with you soon.

Best Regards,

Mr. Moncevicus,

We received your license renewal request. I have started the review of your renewal but no information was included your request. Please submit a full application in order to start the

review. I have attached NUREG-1556, Vol 12 "Consolidated Guidance About Materials Licenses, Program-Specific Guidance About Possession Licenses for Manufacturing and Distribution." This document provides the guidance necessary to submit the required information. Section 8 describes the requirement and provides a section "Response from Applicant" that can guide you with the information needed. Furthermore, Appendix B provides a checklist that can be used to submit the necessary information.

Please submit the information as soon as possible. Contact me if you have any questions.

Please confirm receipt of the email.

Regards,
Juan Ayala
