

US Nuclear Regulatory Commission
Materials Licensing Section
2443 Warrenville Road Suite 210
Lisle, IL 60532-4352

August 8, 2022

License Number: 24-01565-01

Dear NRC License Reviewer,

I am requesting that Andrew Leiker, M.D. be added to our license as an Authorized User of 10CFR 35.300 and 35.400 materials.

He is currently listed as an Authorized User of 10.CFR 35.300, 35.400 and 35.600 (limited to Ir-192 in an HDR remote after loading device) on [NRC Materials License No 24-32604-01](#) (Missouri Cancer Associates).

Please contact me at (573) 815-3729 if additional information is needed.

Sincerely,

A handwritten signature in black ink that reads "Liesje Myers". The signature is written in a cursive style.

Liesje Myers, BS, ARRT(N), CNMT-RS
Radiation Safety Officer
