**RE: Homestake Mining Company of California – Grants Reclamation Project –
Application for Alternate Concentration Limits, Radioactive Materials License
SUA-1471, Docket 040-08903**

To whom it may concern:

Homestake Mining Company of California hereby submits the Alternate Concentration Limits (ACL) Application for the Grants Reclamation Project. Some supporting files located in Appendices 2.2-A, 3.1-A, 4.2-B, 4.3-B, 4.4-A, 4.4-B, 5.1-A, and 5.1-B are requested to be withheld from ADAMS per 10 CFR Part 2.390(a)(4) because they include modeling and excel files which could be manipulated and/or changed and a draft EPA Alternatives Screening Memorandum in Appendix 4.2-A which should not be in the public domain. The remaining files do not need to be uploaded to ADAMS as they have been uploaded by the licensee.

Thank you for your time and attention on this matter. If you have any questions, please contact me via e-mail at bbingham@homestakeminingcoca.com or via phone at 505.290.8019.

Respectfully,

Brad R. Bingham
