General Comment

26.3 Scope — Agree with proposed change to remove applicability of Part 26 to Part 52 licensees when the site shuts down and submits certified paperwork under 52.110(a).

26.825(a) Criminal Penalties — Agree with proposal to remove 26.3 from the Part 26 sections excluded from criminal penalties. If a plant doesn't have an FFD program in place by the specified time in the rule, that's a big deal and NRC must take action.

Insider mitigation program, 73.55(b)(9)(ii)(B)(2)(i). Agree with applying a full Part 26 FFD program at decommissioning sites to individuals with unescorted access to the vital areas, to personnel performing site security functions as described in 26.4(a)(5), to individuals running the FFD program under 26.4(g), and to certified fuel handlers.
