Questions

Institute of Nuclear Power Operations (INPO) Interactions

September 1, 2022

INPO/NRC Interactions

Complementary relationship – cooperative but independent

Dictated by a Memorandum of Agreement

MOA provides guidelines for relationship

NRC agrees to protect INPO's proprietary, confidential information

NRC observations of INPO activities /
INPO observation of NRC activities

- Must be in advance
- Obtain concurrence from the licensee
- For INPO observations by NRC: not on your own plant or in your region
- For NRC observations by INPO: NRR coordinates
