

POE 1 – Uranium Concentration

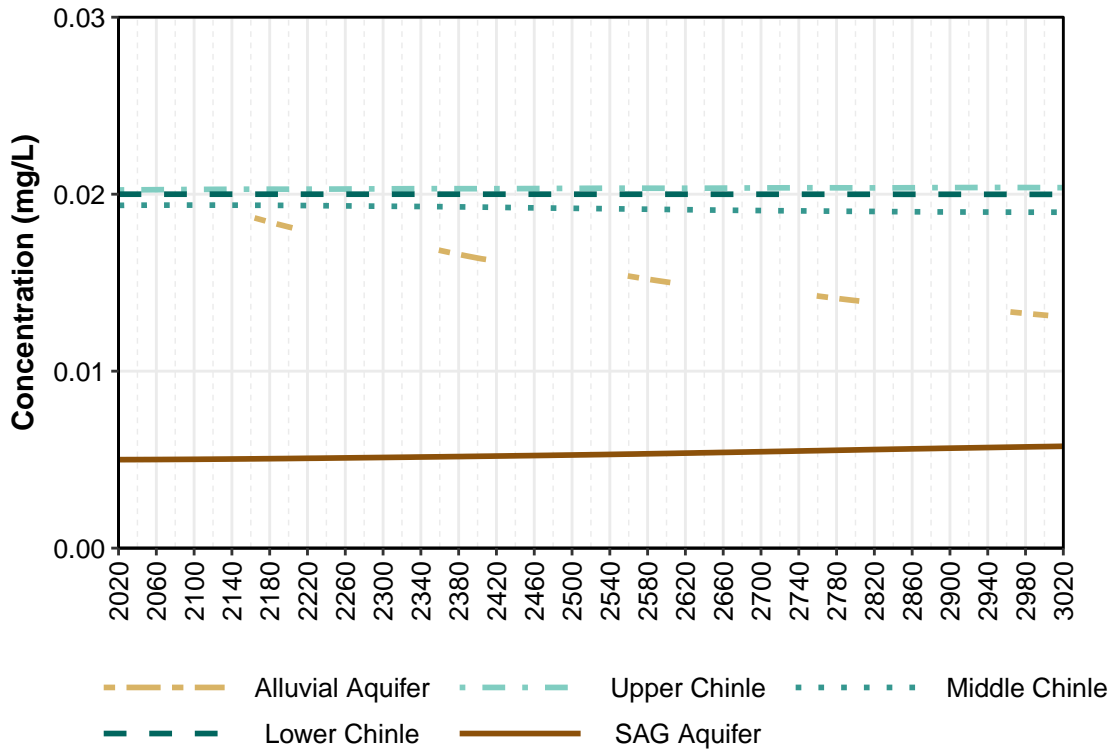

Note: Line is discontinuous when unit is predicted to be unsaturated.
Upper Chinle is absent at this location.

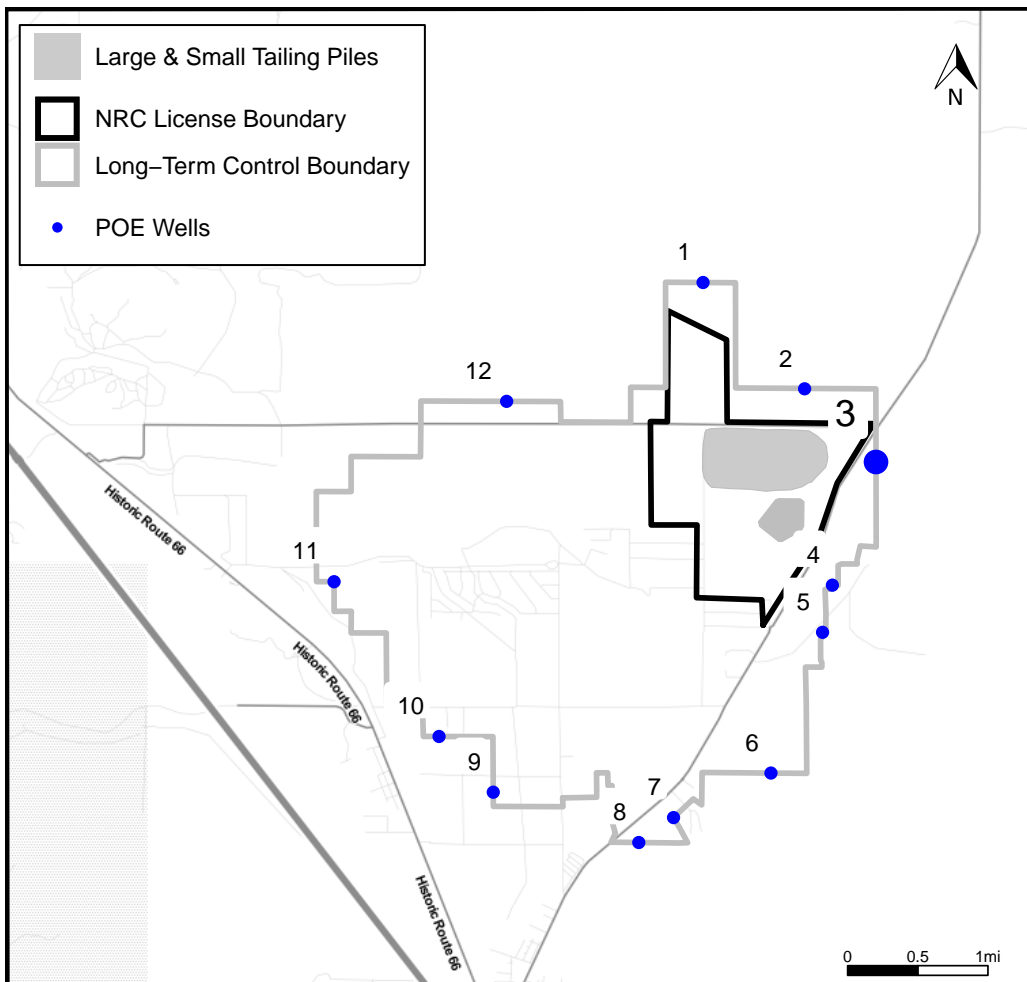

POE 2 – Uranium Concentration

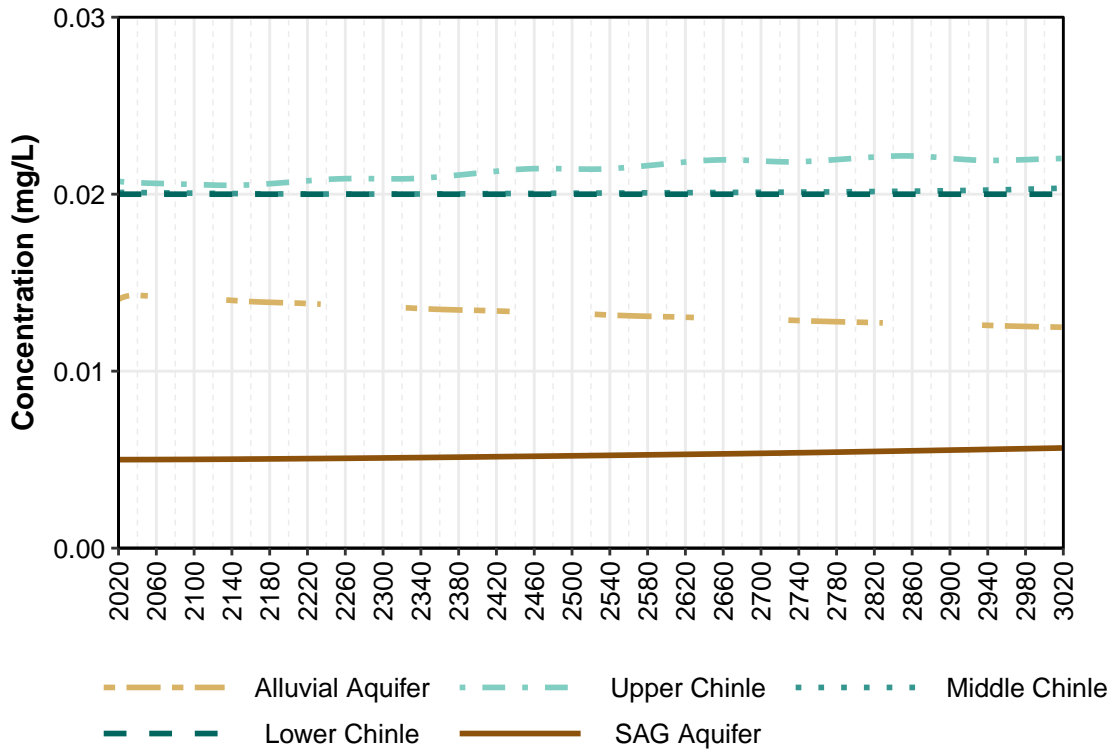

POE 3 – Uranium Concentration

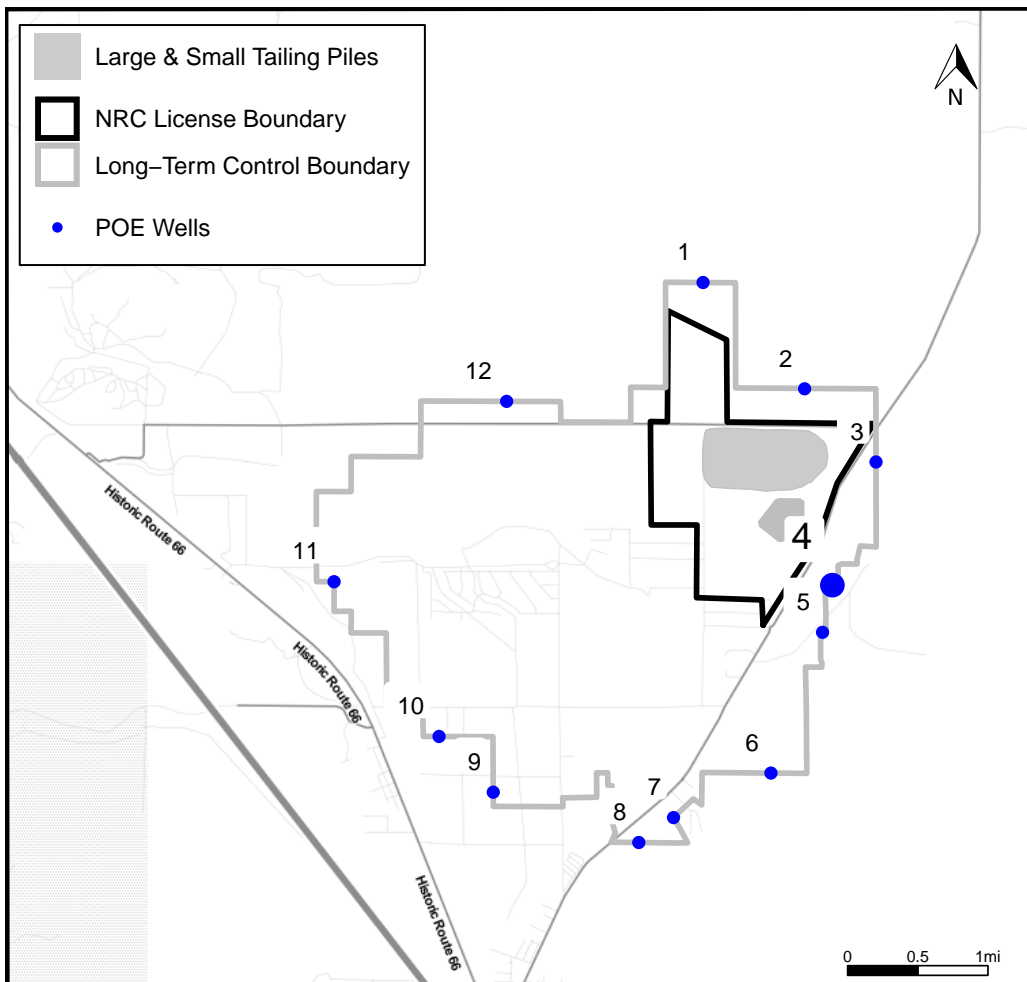

Note: Line is discontinuous when unit is predicted to be unsaturated.

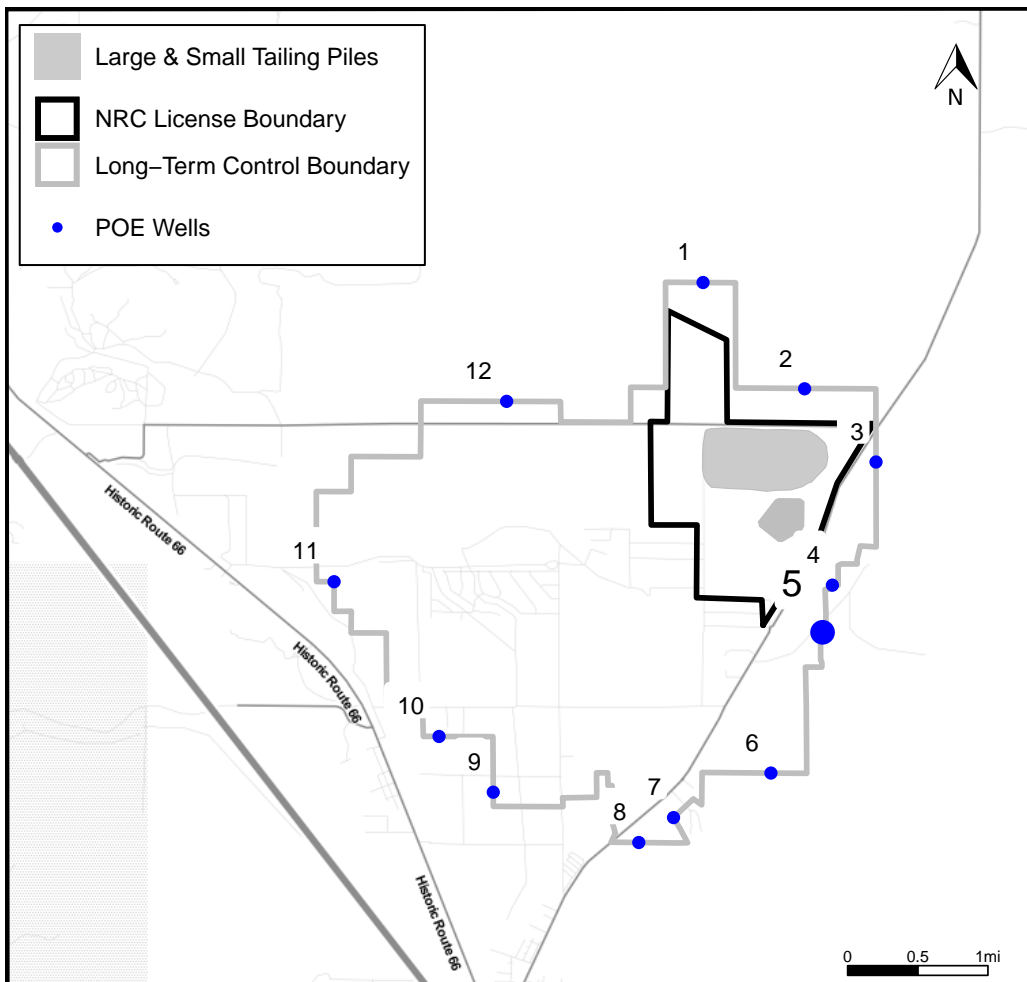

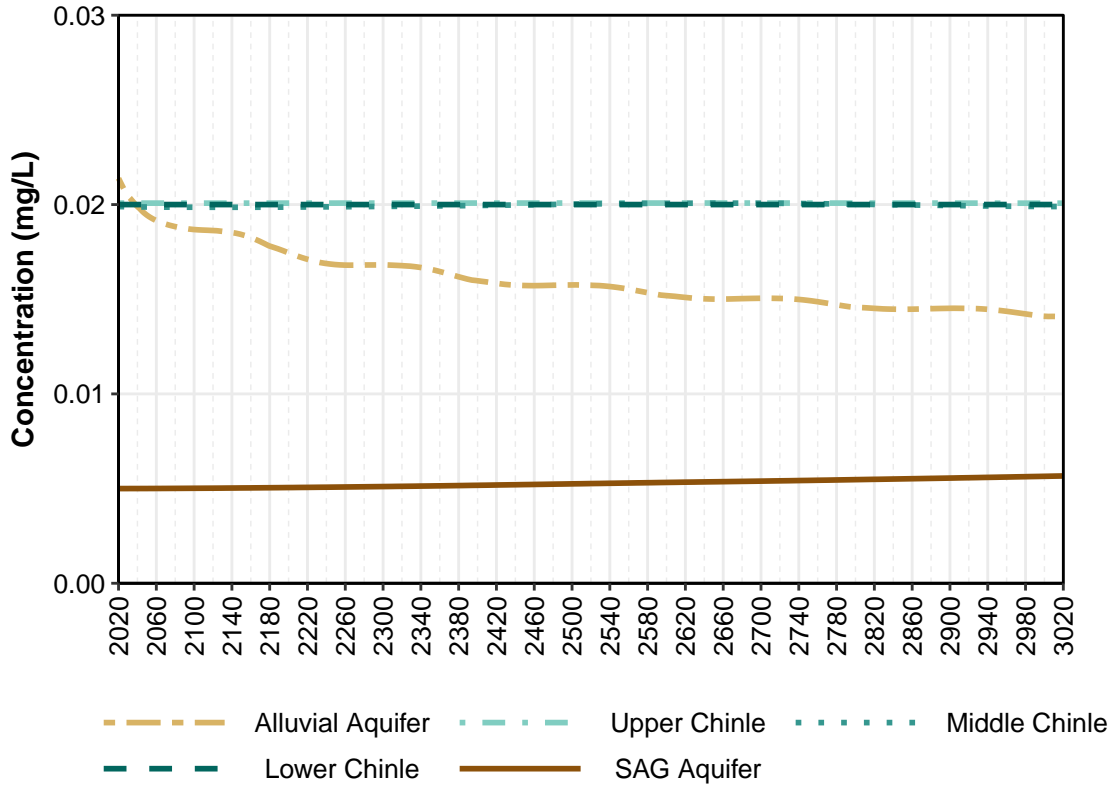

POE 4 – Uranium Concentration

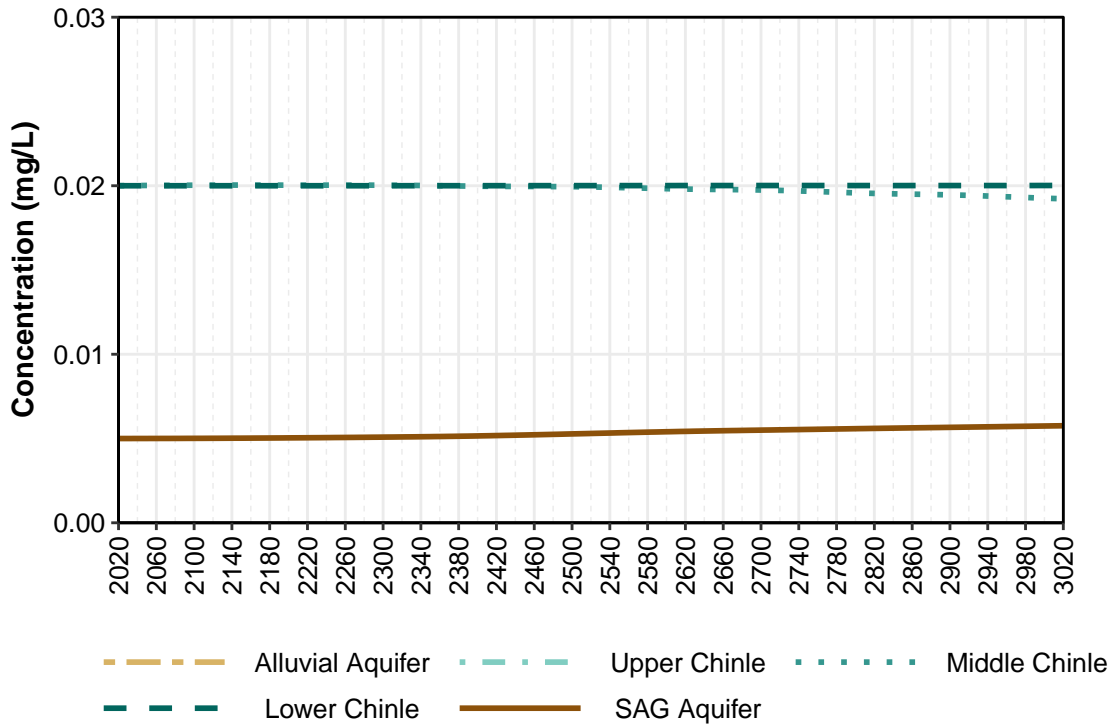

Note: Line is discontinuous when unit is predicted to be unsaturated.

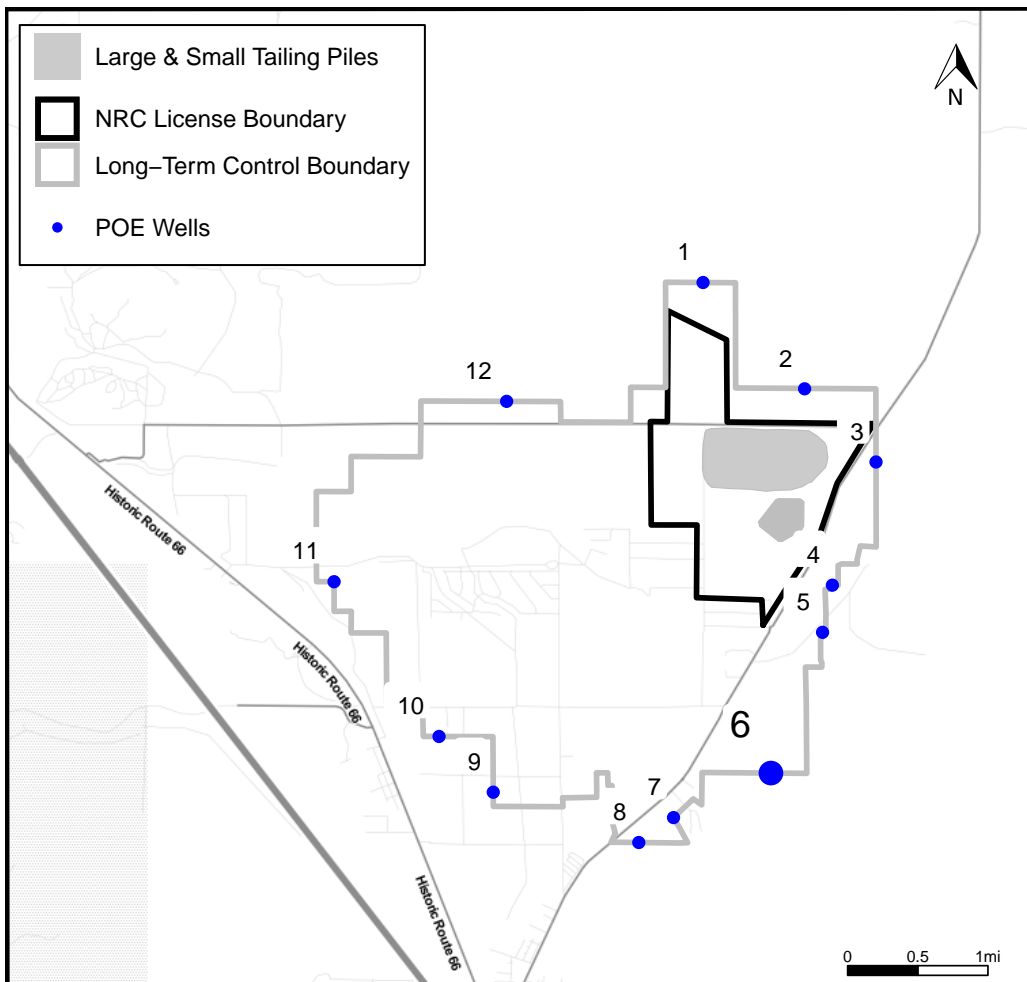

POE 5 – Uranium Concentration

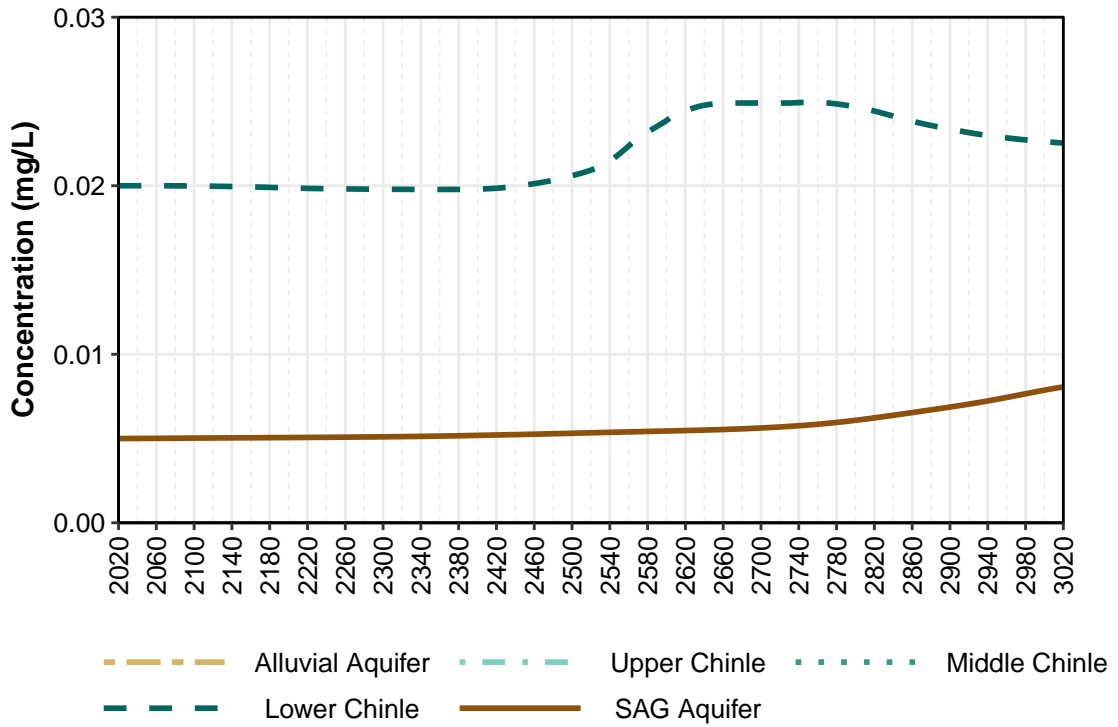

POE 6 – Uranium Concentration

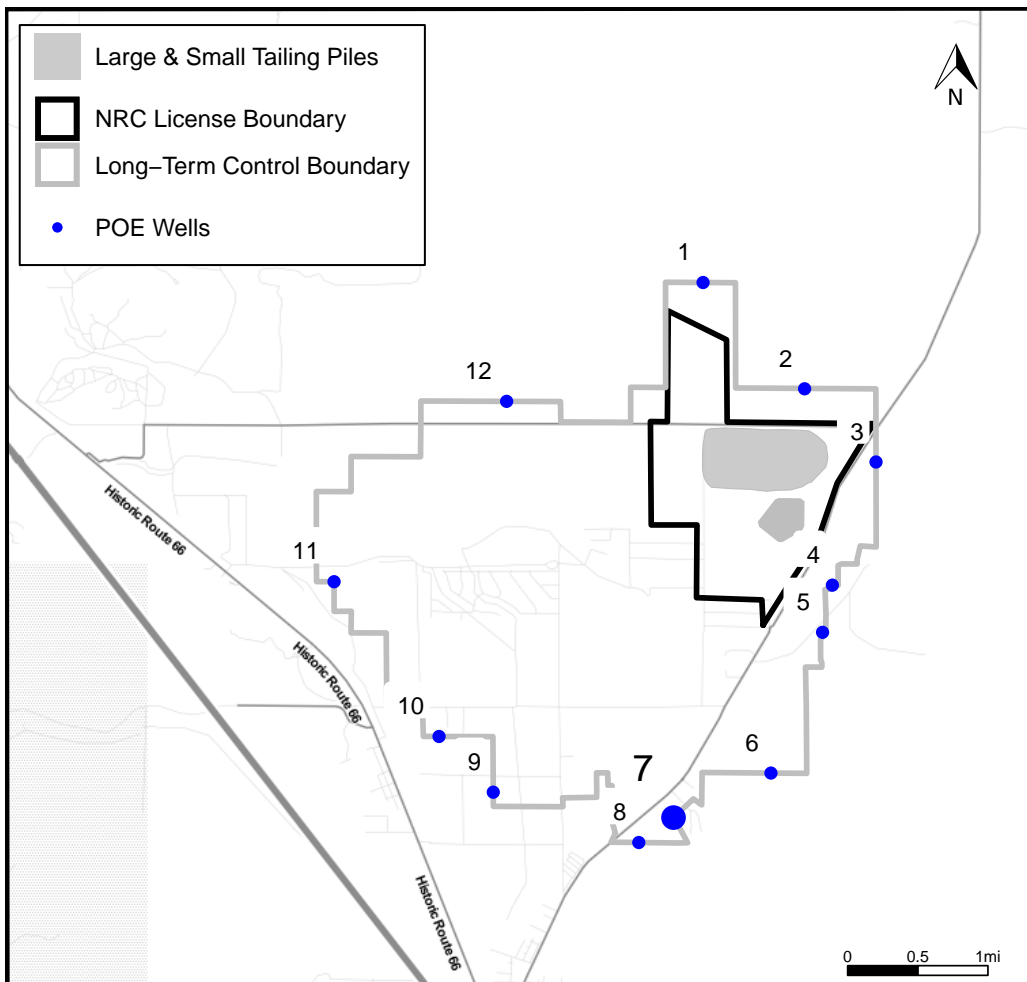

Note: Line is discontinuous when unit is predicted to be unsaturated.
Upper Chinle is absent at this location.

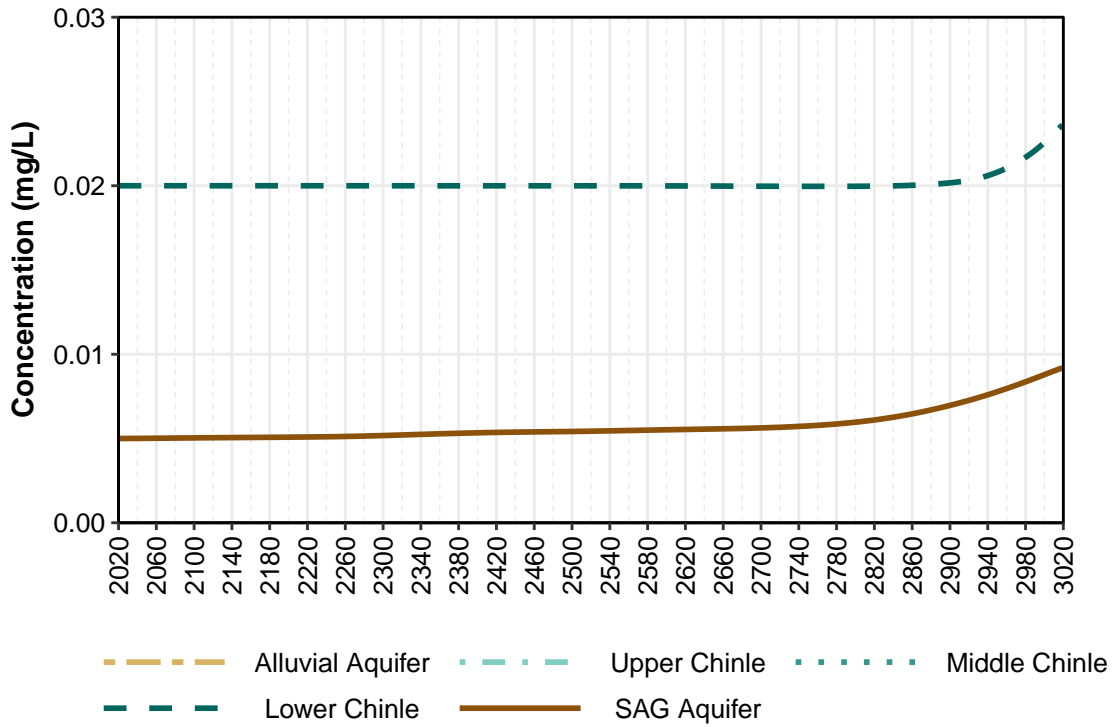

POE 7 – Uranium Concentration

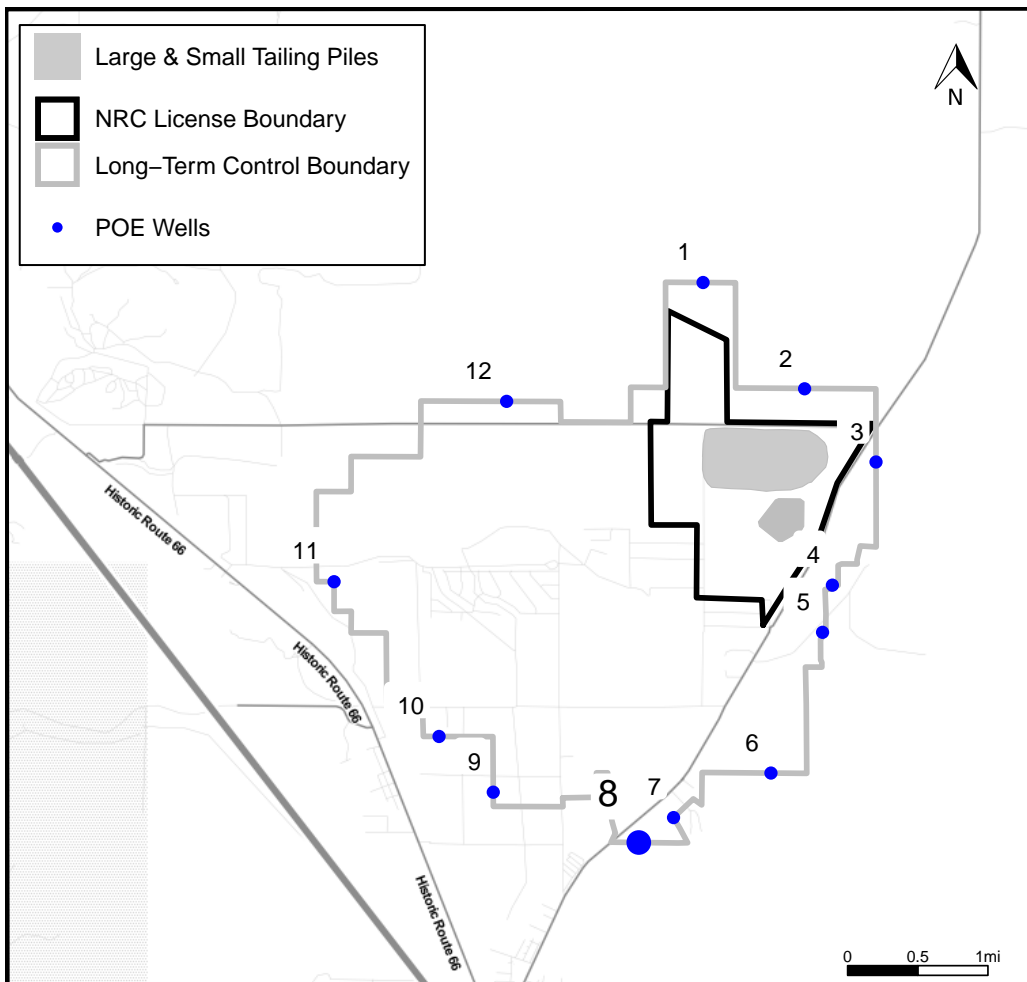

Note: Line is discontinuous when unit is predicted to be unsaturated.
Upper Chinle and Middle Chinle are absent at this location.

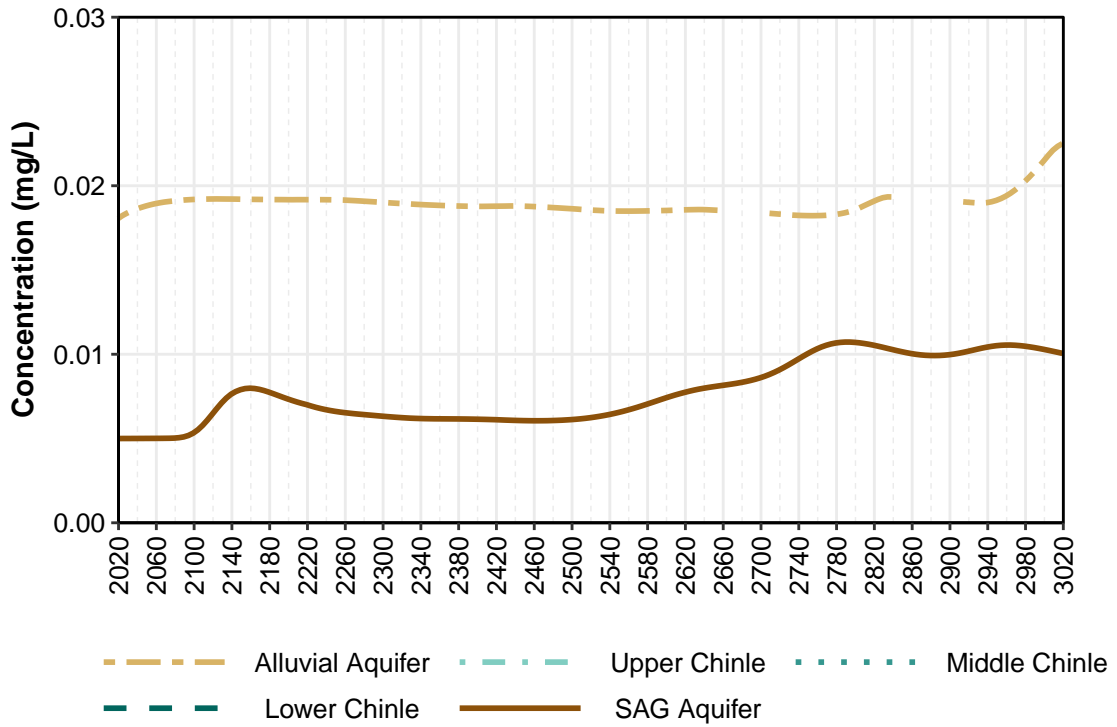

POE 8 – Uranium Concentration

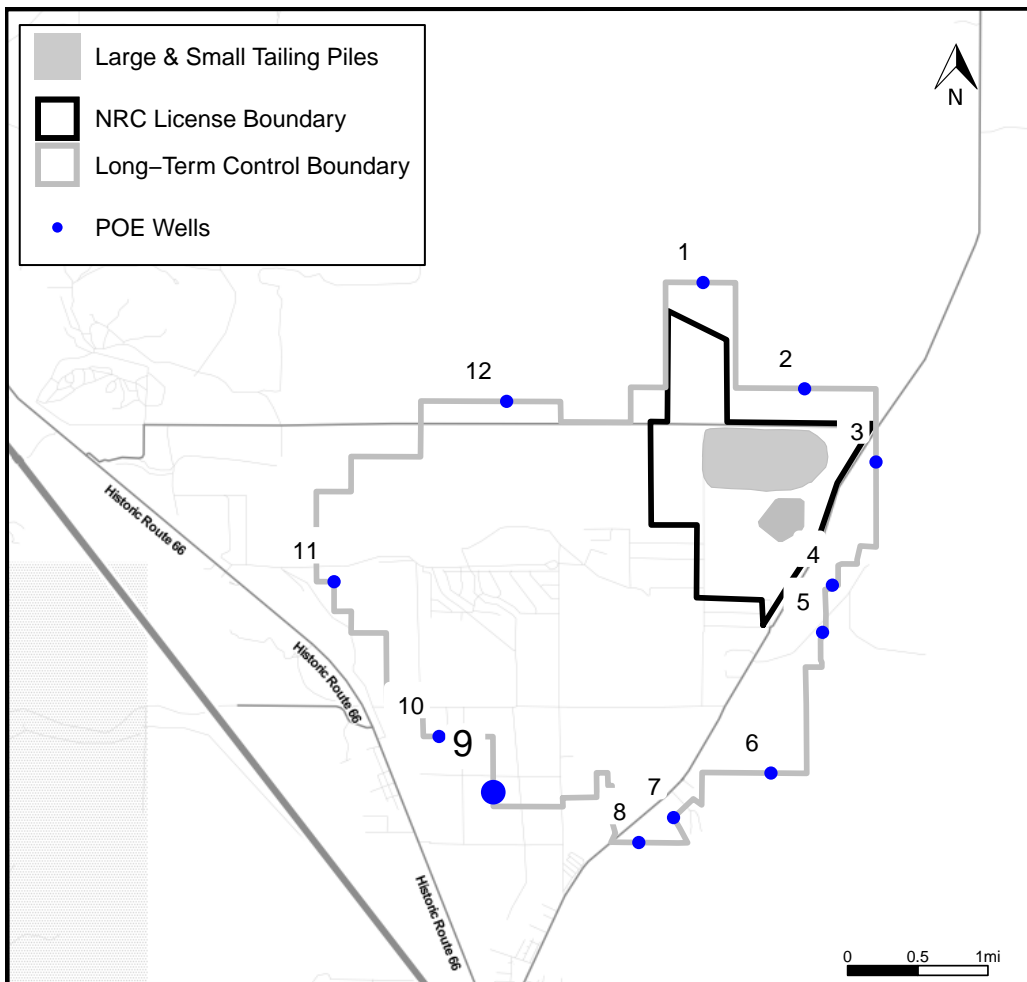

Note: Line is discontinuous when unit is predicted to be unsaturated.
Upper Chinle and Middle Chinle are absent at this location.

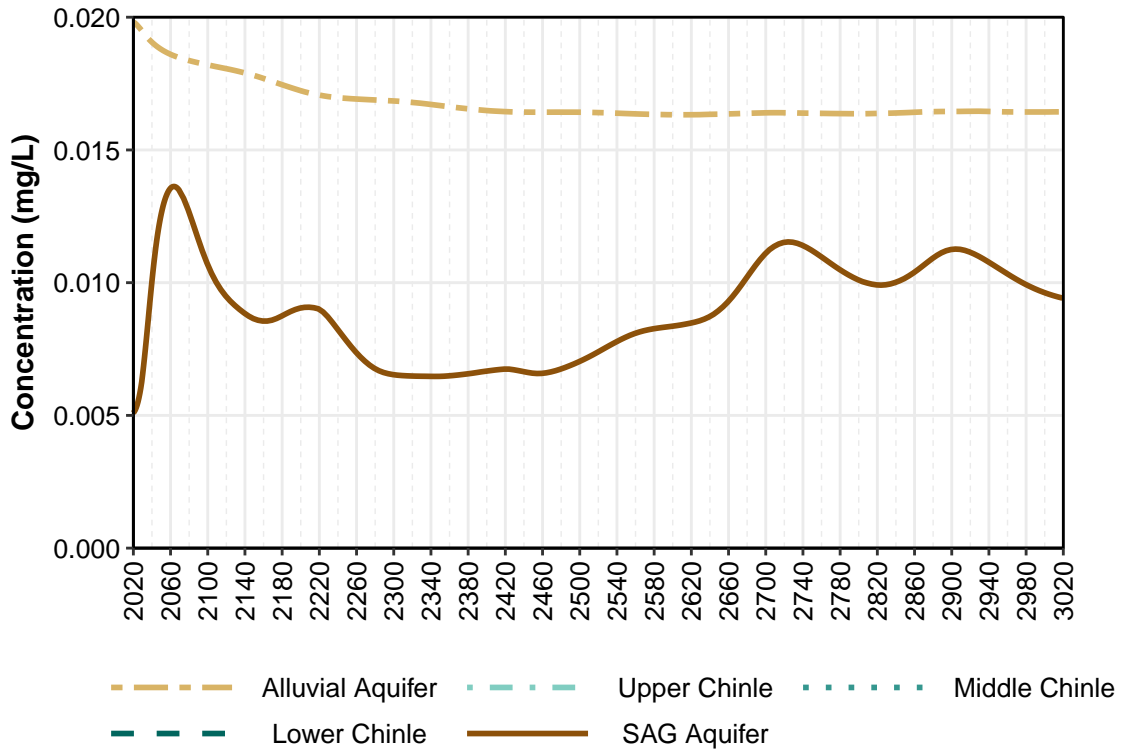

POE 9 – Uranium Concentration

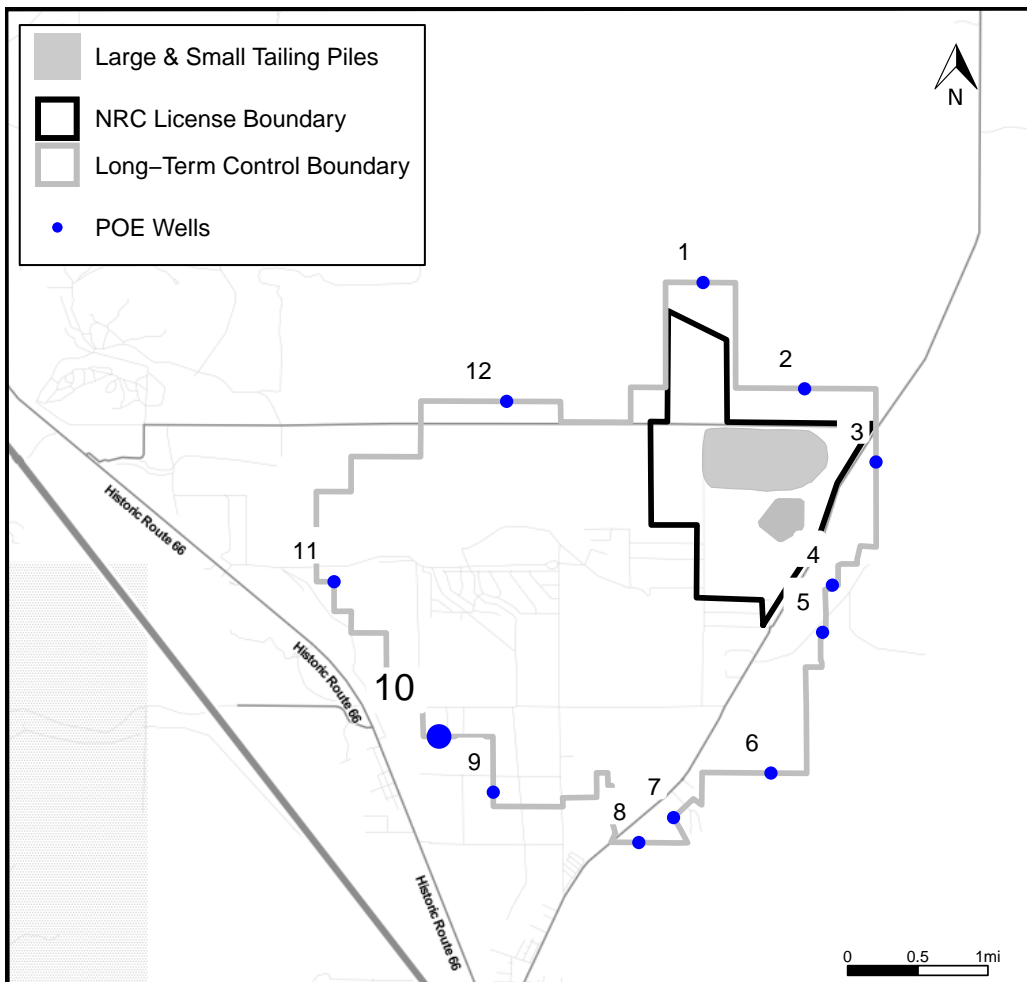

Note: Line is discontinuous when unit is predicted to be unsaturated. Upper Chinle, Middle Chinle and Lower Chinle are absent at this location.

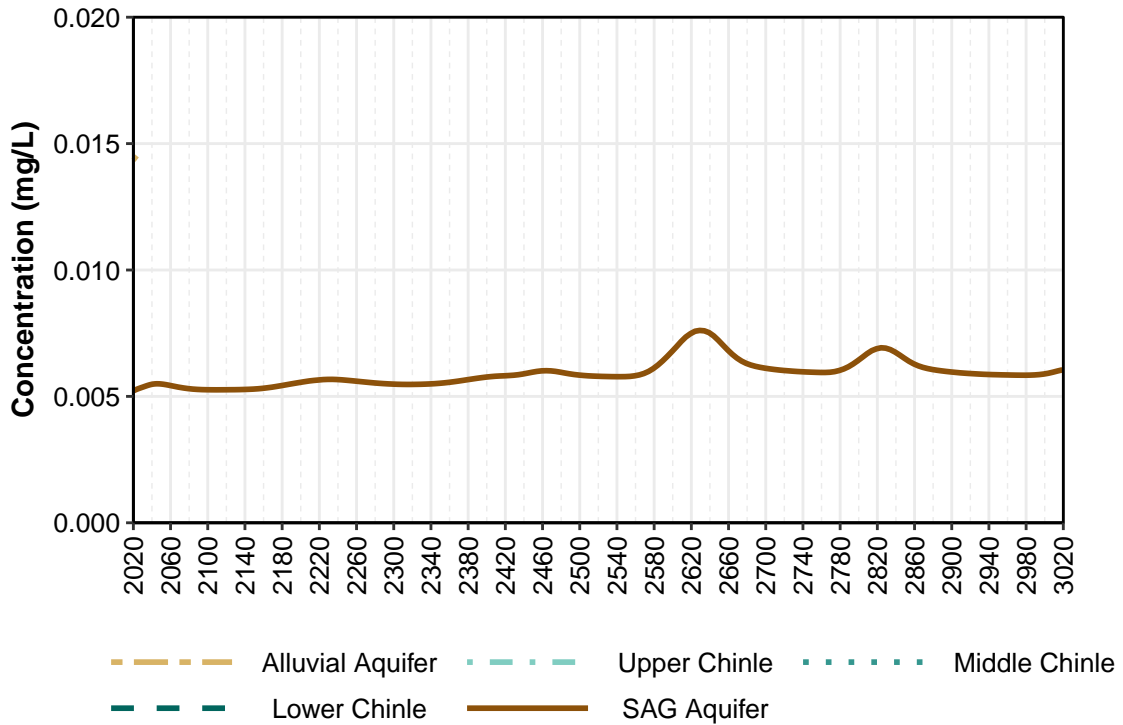

POE 10 – Uranium Concentration

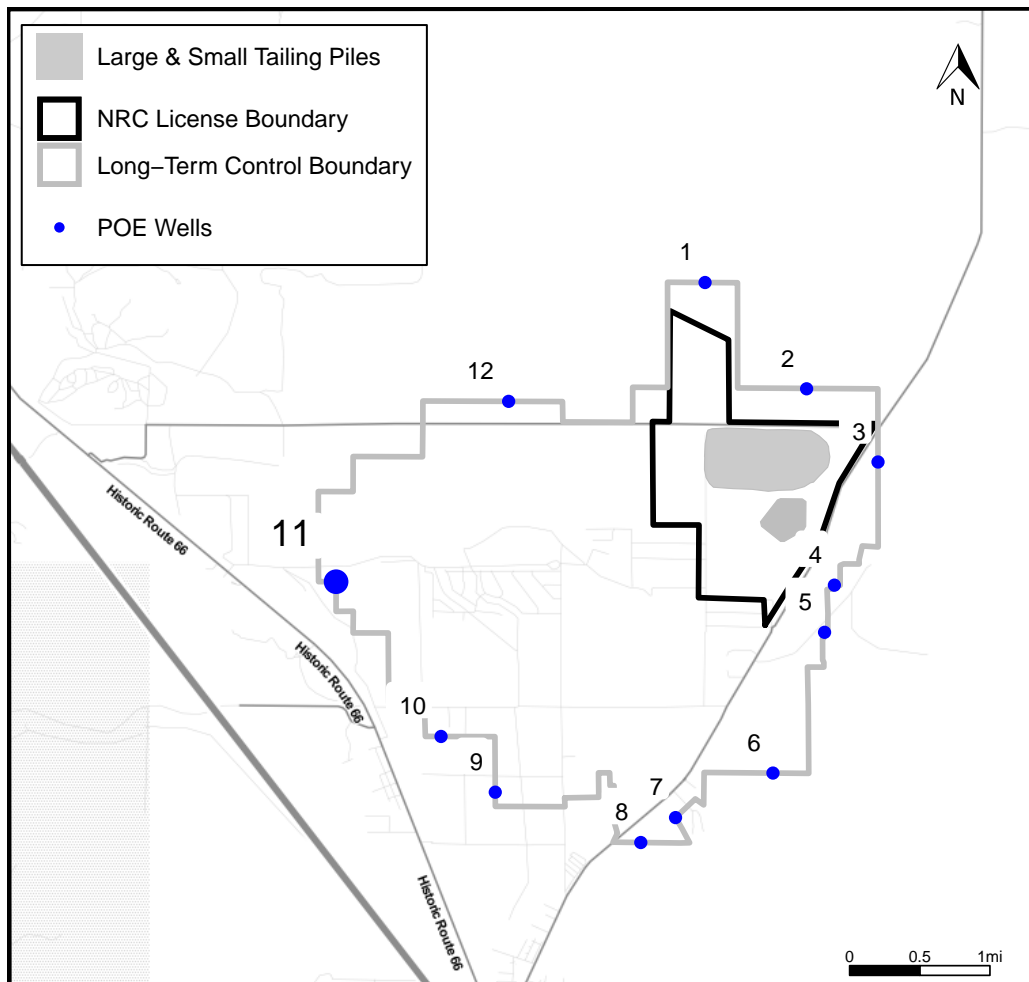

Upper Chinle, Middle Chinle and Lower Chinle are absent at this location.

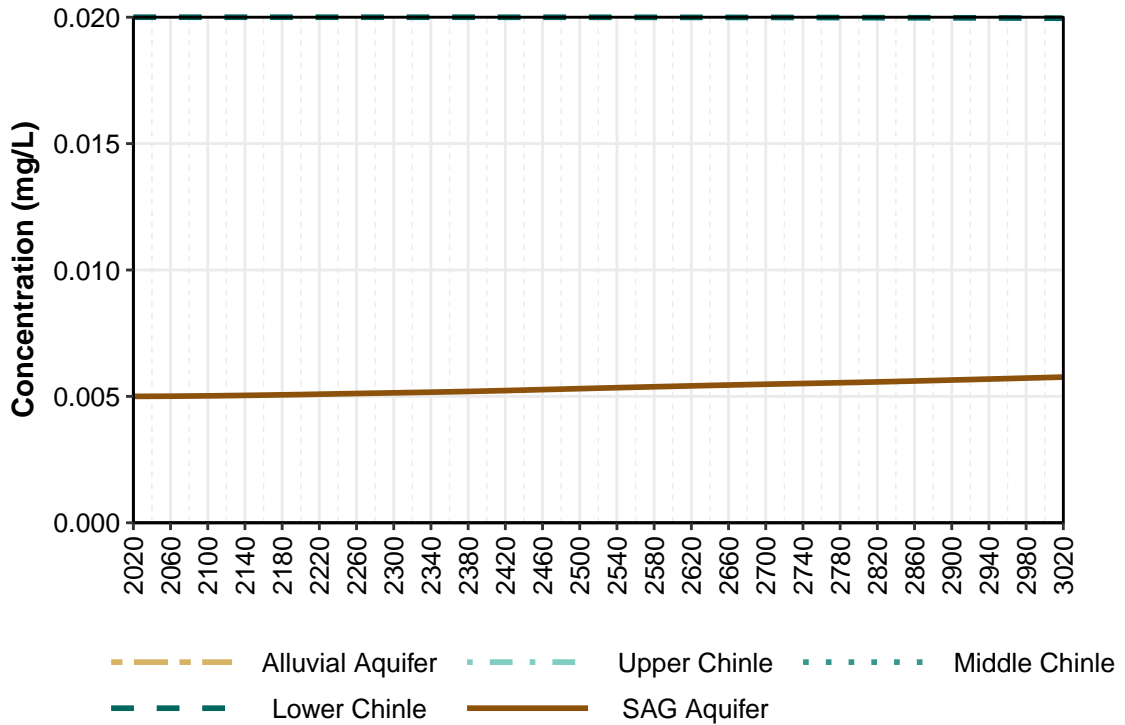

POE 11 – Uranium Concentration

Note: Line is discontinuous when unit is predicted to be unsaturated. Upper Chinle, Middle Chinle and Lower Chinle are absent at this location.

POE 12 – Uranium Concentration

Note: Line is discontinuous when unit is predicted to be unsaturated.
Upper Chinle and Middle Chinle are absent at this location.
