Dear Dr. Vemuri:

This is to acknowledge receipt of the submitted NRC Form 314, "Certificate of Disposition of Materials," dated August 12, 2022, in which you requested termination of U.S. Nuclear Regulatory Commission (NRC) Materials License No. 21-32811-01. Upon review, I identified the following area requiring additional or clarifying information:

In accordance with Section 11, "Termination of Activities," of the U.S. NRC's NUREG-1556, Vol. 9, Rev. 3, "Consolidated Guidance About Materials Licenses: Program-Specific Guidance About Medical Use Licenses," submit the following information in support of your request to terminate your license and release the licensed facility to unrestricted use:

- Records of transfer and/or disposal of all licensed materials formerly used and stored at your licensed facility. This may include:
  - Calibration and reference sources;
  - Transmission sources;
  - Field flood sources; and/or
  - Mo-99/Tc-99m Generators

Acceptable documentation should include a signed and dated letter from Radiological Physics Service and/or other licensed waste broker/disposal company detailing the licensed materials received.

- Leak Test Reports for all sealed sources and devices previously stored and/or used at the licensed facility.
- Describe any incidents involving ruptured, leaking or lost sealed sources or devices along with any other incidents involving radioactive materials at the former location.

In accordance with Title 10 of the *Code of Federal Regulations* (10 CFR) 2.390 of the NRC's "Rules of Practice," a copy of this letter and its enclosure will be made available electronically for public inspection in the NRC Public Document Room or from the NRC's Agencywide Documents Access and Management System (ADAMS), accessible from the NRC Web site at <https://www.nrc.gov/reading-rm/adams.html>.

To continue review of your request, please submit your response to this letter within 15 calendar days from the date of this letter. In your response, please refer to the license, docket, and control number specified below. I will assume that you do not wish to further pursue this licensing action if I do not receive a reply within the specified timeframe noted above.

If you have questions, require additional time to respond, or require clarification on any of the information stated above, I encourage you to contact me at (630) 829-9737 or via e-mail at [Jason.Kelly@nrc.gov](mailto:Jason.Kelly@nrc.gov).

Sincerely,

Jason M. Kelly, MPH
