To whom it may concern,

The veterinary practice referred to as Aurora Animal Clinic has been in existence in Fairbanks, Alaska since 1979. When I purchased the practice from the previous owner, Dr. Val Stuve, I was required to create my own unique corporation (Aurora Animal Care, Inc) from what previously existed (Aurora Animal Clinic, Inc).

Upon sale of the practice from Aurora Animal Clinic, Inc on January 1, 2012, Aurora Animal Care, Inc obtained the rights to use the business name of Aurora Animal Clinic in Fairbanks, Alaska. And Aurora Animal Clinic, Inc was dissolved shortly thereafter.

For this reason, our business entity is known as Aurora Animal Care, Inc, dba Aurora Animal Clinic.

Please let me know if you have any additional questions or concerns,
