Subject: Request to authorize K. Melville, M.S. for use of Sr-90 and Cs-137 sources-NRC license no. 21-32501-01
Date: Tuesday, September 13, 2022 12:30:00 PM

Good afternoon,

I reviewed the licensee's request dated 8/8/22 to name K. Melville, M.S. as an Authorized Medical Physicist for use of Ir-192, Cs-137 and Sr-90.

In a signed and dated letter, please provide a statement attesting that Kelli Melville, M.S. received hands on experience using the Sr-90 and Cs-137 sealed sources for instrument calibration during her employment at the West Michigan Cancer Center.

Please acknowledge receipt of this email.

Please respond by 9/30/22. You may provide the response directly to me via email.

Thank you

Magdalena R. Gryglak
