RE: Notification of Source Transfer (10 CFR 31.5)

Dear Sir/Madam:

Pursuant to 10 CFR 31.5, this letter is to notify the Nuclear Regulatory Commission (NRC) that a Cesium-137 source (30 uCi Source, Dated September 23, 2003, Lot # 1633) was removed from a Beckman LS6000LL Liquid Scintillation Counting machine, Serial 7060532, and transferred into our possession under license 13-02752-03. The transfer occurred on August 25, 2022.

Do not hesitate to contact me if you have any questions. Thank you.

Regards,
