Subject: Request to add and remove field locations- NRC license no. 21-16560-01
Date: Friday, September 9, 2022 3:26:00 PM

Good afternoon,

I reviewed the licensee's request dated 7/19/22 to add and remove field locations.

In a signed and dated letter, please provide the following information:

1. Please provide the most recent leak test/s associated with the sealed source/s used at the field location to be removed, 2397 W 100 S, Rockville, Indiana 47872.
2. Please provide information regarding the final disposition of the sealed source/s used at 2397 W 100 S, Rockville, Indiana 47872. Specifically, explain whether the sealed sources were transferred to a location on your license or to an authorized recipient. Please provide documentation of transfer and receipt if sources were transferred to an authorized recipient.
3. Please provide a map (google map) illustrating the field location at 1373 Waters Edge Ct., Terre Haute, Indiana 47803. Specifically illustrate building/s (including residential building/s) and adjacent areas including the location where the vehicle will be parked.

Please provide the response by September 30, 2022.

Please acknowledge receipt of this email and let me know if you have any questions.

Thank you
