Subject: Millstone Power Station Unit 1, Decommissioning Trust Fund Disbursement Revision to Previous Thirty-Day Written Notification
Date: Friday, October 7, 2022 3:28:00 PM

Dear Mr. Sly,

This email is to acknowledge the receipt of Dominion's submittal docketed on September 29, 2022 (Agencywide Documents Access and Management System (ADAMS) Accession Number ML22272A549), providing notification to the U.S. Nuclear Regulatory Commission (NRC) pursuant to License Condition 2.C(6)(c) of the Millstone Power Station Unit 1 (MPS1) Facility Operating License, the Decommissioning Trust Agreement for MPS1 including requirements for written notice to the NRC related to payments or disbursements from the decommissioning trust fund. Specifically, written notice must be made at least 30 days before the Trustee makes payments or disbursements other than for ordinary administrative expenses from the decommissioning trust fund. The MPS1 Decommissioning Trust Agreement further requires that no payments or disbursements be made from the decommissioning trust fund if prior written notice of objection is received from the NRC.

As part of the review of your submittal, the NRC staff will review written notification, and, if applicable, any questions, further clarifications, or conclusions. Your request has been assigned Enterprise Project Identifier L-2022-LLL-0016. Please reference this number in any future correspondence associated with this request..

In accordance with 10 CFR 2.390 of the NRC's "Agency Rules of Practice and Procedure," a copy of this email will be available electronically for public inspection in the NRC Public Document Room or from the Publicly Available Records component of the NRC's ADAMS. ADAMS is accessible from the NRC website at: <http://www.nrc.gov/reading-rm/adams.html> (the Public Electronic Reading Room).

If you have any questions, please contact me.
Thank you,
Karl Sturzebecher
