AFFIDAVIT OF MICHAEL ZAMIARA

STATE OF MICHIGAN
COUNTY OF INGHAM

I, Michael Zamara, President and Chief Financial Officer of Niowave, Inc. (Niowave), do hereby affirm and state:

1. I am authorized to execute this affidavit on behalf of Niowave. I am authorized to review information submitted to or discussed with the Nuclear Regulatory Commission (NRC) and apply for the withholding of information from public disclosure. The purpose of this affidavit is to provide the information required by 10 CFR 2.390(b) so that the confidential information is withheld from public disclosure in its entirety.
2. I have knowledge of the criteria used by Niowave in designating information as sensitive, proprietary, or confidential.
3. Pursuant to the provisions of paragraph (a)(4) of 10 CFR 2.390, the following is furnished for consideration by the NRC in determining whether the information sought to be withheld from public disclosure should be withheld.
 - a. The information sought to be withheld from public disclosure contained in Niowave's presentation to the NRC at the November 2, 2022, meeting is owned by Niowave, its affiliates, or third parties to whom Niowave has an obligation to maintain its confidentiality. This information is and has been held in confidence by Niowave.
 - b. The information sought to be protected is not available to the public to the best of my knowledge and belief.
 - c. The information sought to be protected is of the type that is customarily held in confidence by Niowave, and there is a rational basis for doing so. The information that Niowave is requesting to be withheld from public disclosure includes trade secret, commercial financial information, commercial information, or information that is subjected to export controls. Niowave limits access to these elements to those with "need to know," and subject to maintaining confidentiality.
 - d. The information sought to be protected is transmitted to the NRC in confidence and under the provisions of 10 CFR 2.390; it is to be received in confidence by the NRC. The information is properly marked.

I declare under penalty of perjury that the foregoing is true and correct.
Executed on November 1, 2022.
