Washing DC 20555-0001

Reason: **Report of devices transferred under license L06303 and Sealed Source Device Registration (TX-586-D-109-G or TX-586-D-114-G) during the Q3-2022 reporting period**

Dear Sir or Madam,

Please find enclosed reports for the transfer of devices Generally Licensed which occurred within NRC jurisdiction per 10 CFR 32.52.

Schlumberger Technology Corporation (STC) made the following transfers of the Schlumberger Vx Spectra Series and PhaseWatcher Vx Series multiphase flow meters (General License TX-586-D-114-G) during the period of July 01, 2022 to September 30, 2022.

- STC transferred zero (0) Vx Spectra and PhaseWatcher Vx, TX-586-D-114-G, to persons Generally Licensed during this period, as shown in the accompanying pages.
- STC received zero (0) Vx Spectra and PhaseWatcher Vx, TX-586-D-114-G, from persons Generally Licensed during this period, as shown in the accompanying pages.

Please contact me if you require any additional information.

Sincerely,

Charles Deible
